Austin, Texas (May 6, 2016) – Pape-Dawson Engineers, Inc., is pleased to announce Mr. Derek N. Mueller, P.E., as a new Senior Project Manager in the Austin office. Mr. Mueller will be a key leader in our Austin office, helping to promote and manage Pape-Dawson Engineers’ transportation engineering services throughout central Texas.

Mr. Mueller brings more than 10 years’ experience in planning, organizing, and supervising the design of transportation projects. Mr. Mueller first began his career as an intern in the Pape-Dawson San Antonio office where he most recently served as a Project Manager. His experience includes traffic and transportation planning concepts including corridor studies, travel demand modeling, innovative intersection analysis, multimodal quality level of service analysis, and traffic signal timing. Recent projects include the City of San Antonio’s Downtown Transportation Study, development of the San Antonio Complete Streets Checklist, City of San Marcos Downtown Traffic Study, and multiple innovative intersection analysis projects in San Antonio and Austin.

“Derek rejoining Pape-Dawson brings exceptional leadership and expertise to our team,” said Pape-Dawson Engineers’ Senior Vice President of Transportation Gilmer D. Gaston, P.E., PTOE. “Our clients will benefit from his guidance and technical expertise.”

Mr. Mueller holds a Bachelor of Science in Civil Engineering from the University of Texas at Austin. He is a registered Professional Engineer in the State of Texas and holds multiple pre-certifications with the Texas Department of Transportation (TxDOT). Mr. Mueller is also a member of the Institute of Transportation Engineers and former President of the South Texas Section.
