**Fort Worth, Texas (December 12, 2017)** – The Officers of Pape-Dawson Engineers, Inc. are pleased to announce the promotion of Brandon O'Donald to Vice President. He will be responsible for the oversight and management of the Fort Worth office.

Mr. O'Donald joined Pape-Dawson in February 2017 and has more than 20 years of experience in planning, designing, permitting, and project management of land development projects for public and private clients. His project experience includes K-12 and higher education facilities, financial institutions, retail and mixed use developments, athletic facilities, single-family and multi-family residential, urban development, and medical facilities.

“Brandon’s experience, combined with his servant-style leadership, will make him an invaluable addition to the Pape-Dawson leadership team.” Pape-Dawson Engineers’ Regional Vice President, Mark Ramseur, P.E. said. “We are excited to see the Fort Worth office continue to grow under his leadership.”

Mr. O'Donald holds a Bachelor of Science in Civil Engineering from the University of Texas in Arlington. He is a registered Professional Engineer in the State of Texas.
