San Antonio, Texas (November 6, 2018) – Pape-Dawson Engineers, Inc. is pleased to announce the promotion of Curtis Lee, P.E., LEED AP BD+C to Vice President. As Vice President, Mr. Lee will continue to lead large commercial, industrial, residential, multi-family, and public infrastructure projects.

With 18 years of experience, Mr. Lee has successfully contributed to many projects, such as Brooks, Alamo Ranch, Santikos Casa Blanca, Alon Town Centre, Bulverde/Classen Street Extension, Hardy Oak/Huebner Street Extension, and Shaenfield Road.

Mr. Lee is a member of the Greater New Braunfels Chamber of Commerce and Real Estate Council of San Antonio (RECSA). He was a participant in the 2005-2006 RECSA Leadership Program and the 2016-2017 North San Antonio Chamber Leadership Lab.

“Curtis is a talented engineer, client representative, manager, and professional. His experience is and will continue to be a great benefit to our clients and our management team,” Pape-Dawson Engineers’ Senior Vice President Shauna Weaver, P.E., LEED AP BD+C said.

Mr. Lee holds a Bachelor of Science in Agricultural Engineering from Texas A&M University. He is a registered Professional Engineer in the State of Texas.
