San Antonio, Texas (November 6, 2018) – Pape-Dawson Engineers, Inc. is pleased to announce the promotion of Jason Diamond, P.E., CFM to Vice President. Mr. Diamond will serve as a key leader in San Antonio Water Resources team leading water and wastewater projects and will continue his role with sports/recreational facilities, institutional and educational campus projects.

With 17 years of experience, Mr. Diamond has contributed to the success of a broad spectrum of projects including The JW Marriott Hill Country Resort and TPC San Antonio, Cibolo Canyons Master Planned Community, Hawthorne House apartments, Peiper Ranch Middle School for Comal ISD, UTSA, Six Flags Fiesta Texas, Thompson Hotel and Arts Residences, Hardberger Park and various linear trails projects for the City of San Antonio, and the Mission Concepcion Sports Park.

He is currently working on several educational facility projects, which include the Science and Engineering Building and the Large Scale Structural Testing Facility (both under construction at UTSA) and two new high schools for Comal Independent School District (one under construction and one starting construction this fall).

Mr. Diamond is a member of the Real Estate Council of San Antonio, A4LE, and Texas Floodplain Management Association.

“Jason will be a rich asset to the management team,” Pape-Dawson Engineers’ Senior Vice President Cara Tackett, P.E., LEED AP said. “His considerable and diverse experience will continue to benefit our clients and teams on all projects.”

Mr. Diamond holds a Bachelor of Science in Civil Engineering from Texas A&M University. He is a registered Professional Engineer in the State of Texas.
