*Pape-Dawson Proudly Announces the Promotion of Colin Helffrich, P.E.*

**Dallas, TX** – (December 13, 2022) Pape-Dawson Engineers, Inc. has promoted Colin Helffrich, P.E. to Vice President. Mr. Helffrich has over 15 years of experience in civil engineering design and residential land development. As Vice President, he will oversee several project teams responsible for residential development projects in the Dallas-Fort Worth metroplex.

Mr. Helffrich’s areas of expertise include feasibility, land acquisition analysis, residential design, project management, and construction administration. He has been instrumental in the success of several noteworthy projects including Richwoods master planned community and Mustang Lakes, a national award-winning master planned community in Celina, Texas.

“Colin’s commitment to excellence in his work coupled with his leadership skills are a significant advantage to his team and clients,” says Managing Principal North Texas, Brad Davis, P.E. “We are thrilled to have Colin in this leadership role.”

Mr. Helffrich holds a Bachelor of Science in Civil Engineering from The University of Arkansas. He is a member of the Young Professionals Group with the Dallas Builders Association and Residential Strategies, Inc.
