**Pape-Dawson is Pleased to Welcome  
Dennis Seal, P.E. as Vice President, Transportation in Austin Office**

*Austin Office Grows Leadership*

**Austin, TX** – Pape-Dawson Engineers, Inc. is proud to welcome Dennis Seal, P.E. as a new Vice President in our Austin Office. Mr. Seal will be responsible for leading the Austin transportation department, including strategic, technical, and production oversight.

With over thirty years of roadway and bridge design experience, Mr. Seal also complements Pape-Dawson’s transportation department with his strong management experience in the field. His background includes working with the Texas Department of Transportation (TxDOT), including seven years at the Childress District and 17 years as a consultant.

Mr. Seal’s has also served as Project Manager for more than 200 projects across Texas.

“Dennis’ smart approach to roadway and bridge design projects and his proven management capabilities are a great addition to our Austin office,” said Mark Ramseur, P.E., Managing Principal Central Texas. “We are excited to grow our team, and Dennis’ TxDOT experience will further advance our strategic statewide transportation expansion, providing additional capabilities for our clients.”

Mr. Seal earned a Bachelor of Science in Civil Engineering from the University of Texas, Arlington in 1988. He is a certified Professional Engineer in the state of Texas.
