Justin Clark, P.E., PTOE, Promoted to Associate Vice President

Pape-Dawson Proudly Announces the Promotion of Justin Clark, P.E., PTOE

San Antonio, TX – (May 24, 2022) Pape-Dawson Engineers, Inc. has promoted Justin Clark, P.E., PTOE to Associate Vice President. Mr. Clark has 11 years of experience analyzing traffic operations, traffic safety, and traffic impacts, as well as managing transportation design projects. His responsibilities include corridor studies, traffic signals, signing/pavement marking, illumination and Intelligent Transportation Systems, signal timing, and multimodal transportation planning projects.

Mr. Clark's portfolio of work includes bicycle and pedestrian facility designs, in addition to pedestrian crossings. Projects that he recently provided his expertise on include the Loop 1604 design, IH 20 traffic analysis and IAJR, SH 16 corridor traffic modeling, IH 410 corridor study, Santa Rosa Avenue design, and several on-call traffic assignments.

Throughout his career, Mr. Clark has established strong working relationships with TxDOT, the City of San Antonio, Bexar County, and the City of New Braunfels. His knowledge and skill set have been integral to management of on-call traffic assignments from these entities.

In his new role as Associate Vice President, Mr. Clark will continue to lead team members in the successful delivery of transportation projects.

Mr. Clark holds a B.S. in Civil Engineering and an M.E. in Civil Engineering from Texas A&M University, and is a licensed Professional Traffic Operations Engineer (PTOE). He is an active member of South Texas Institute of Transportation Engineers (STITE), where he has served on the board at the local and state level. He is also currently serving on the San Antonio Sports Board of Directors.
