Marcus Stuckett, P.E., CFM, Hired as Associate Vice President

Pape-Dawson Proudly Announces the Hiring of Marcus Stuckett, P.E., CFM

Houston, TX – (April 20, 2022) Pape-Dawson Engineers, Inc. is pleased to welcome Marcus Stuckett, P.E., CFM, as Associate Vice President. Mr. Stuckett has 19 years of experience in civil engineering design with a focus in the water resources field. His background includes overseeing the preliminary engineering, design, and bidding of the Harris County Flood Control District’s projects and managing numerous hydrology and hydraulics projects.

Mr. Stuckett has held various leadership roles throughout his career, including Engineering Division Director, Watershed Management Department Manager, and Project Manager. He also served as the Harris County Flood Control District Liaison to the Harris County Engineering Department.

“We are thrilled to have Marcus join our team,” said Pape-Dawson Senior Vice President, Cara Tackett, P.E., LEED AP. “His extensive experience in the industry and proven leadership skills are certain to be an asset to our team and clients.”

Mr. Stuckett holds a Bachelor of Science in Civil Engineering from the University of Mississippi and is a member of the American Society of Civil Engineers, the National Society of Black Engineers, and the Alpha Phi Alpha Fraternity Incorporated.
