Ricardo Gomez, P.E. Promoted to Associate Vice President

Pape-Dawson Proudly Announces the Promotion of Ricardo Gomez, P.E.

Corpus Christi, TX – (August XX, 2022) Pape-Dawson Engineers, Inc. has promoted Ricardo Gomez, P.E. to Associate Vice President. Mr. Gomez has over a decade of experience in civil engineering and is responsible for designing land development and water resources projects for private and public sector clients.

His resume includes notable projects such as UTSA's Roadrunner Athletics Center of Excellence, the downtown National Security Collaboration Center, and the two new 750,000-gallon elevated storage tanks for the Canyon Lake Water Supply company. His areas of expertise include roadway design, drainage analysis and design, TxDOT coordination, and utility design and permitting. He is also experienced in residential and commercial land development, with an emphasis on K-12, higher education, and commercial and multi-family projects.

In conjunction with Pape-Dawson's statewide expansion, Mr. Gomez will begin leading the staff of engineers in our newly formed Corpus Christi office. His work in the Coastal Bend will be instrumental in the growth of the team as well as in expanding our regional client development efforts.

"Ricardo's diverse expertise with private and public clients is a tremendous asset to our firm and the growth of the Corpus Christi team," says Cara Tackett, P.E., Managing Principal, Water Resources. "His presence in Corpus Christi coupled with his leadership capabilities will elevate Pape-Dawson's footprint throughout the Coastal Bend and South Texas."

Mr. Gomez holds a Bachelor of Science in Civil Engineering from The University of Texas at San Antonio.
