Stacey Weichert, P.E., LEED AP, CFM Promoted to Vice President
Pape-Dawson Proudly Announces the Promotion of Stacey Weichert, P.E., LEED AP, CFM

San Antonio, TX – (June 6, 2022) Pape-Dawson Engineers, Inc. has promoted Stacey Weichert, P.E., LEED AP, CFM to Vice President. Ms. Weichert has over three decades of experience in a wide variety of areas, including environmental, drainage, utility, roadway, feasibility studies, floodplain studies, facility infrastructure planning, construction management, and commercial land development for public and private clients. Her most recent work has been concentrated on K-12 education, athletic, and support facilities, as well as commercial and industrial projects.

She is currently overseeing design and permitting of several major school renovation projects, as well as multiple large industrial facilities in the Dallas, San Marcos, and San Antonio areas. In her new role as Vice President, Ms. Weichert will continue to manage projects for private and public entities.

“Ms. Weichert brings an incredible wealth of experience and knowledge to the Land Development Department,” says Shauna Weaver, Senior Vice President of Land Development, “Her talent in inspiring her team has led to many successful projects and continuously contributes to the success of Pape-Dawson.”

Ms. Weichert holds a Bachelor of Science in Civil Engineering from Texas Tech University where she is a member of the Civil, Environmental, and Construction Engineering Academy. She recently developed and presented a civil engineering curriculum for an Engineering, Architecture, and Construction program for Girl Scouts of Southwest Texas and has been a previous ACE mentor at several San Antonio ISD schools.
