Thomas Ziegler Hired as Vice President, Transportation

Pape-Dawson Proudly Announces the Hiring of Thomas Ziegler

Atlanta, Georgia (June 2, 2025) - Pape-Dawson is proud to announce the hiring of Thomas “Tom” Ziegler, P.E., as Vice President, Transportation. Tom’s 40-year career in civil engineering is underscored by his experience leading the successful delivery of transportation projects across the southeastern US, including Georgia, Florida, Virginia, West Virginia, Alabama, North Carolina & South Carolina, Tennessee, and Mississippi.

Tom has held several key leadership positions throughout his career, responsible for developing high-performing teams and identifying opportunities to grow successful transportation practices. In addition to his leadership experience, Tom brings extensive expertise in transportation and traffic engineering, deep local knowledge, and strong relationships in the Georgia transportation industry.

As Vice President, Transportation, Tom will develop and expand Pape-Dawson's transportation practice in the Georgia region, focusing on delivering innovative transportation solutions and meeting the needs and goals of our clients.

“We are thrilled to have Tom join the Pape-Dawson team,” said Joey Maxwell, P.E., Managing Principal, Georgia. “I am confident that Tom’s deep knowledge of Georgia's transportation landscape will prove to be invaluable as we continue to build upon the momentum we’ve established in the region.”

###

About Pape-Dawson

Founded in 1965, Pape-Dawson is a leading provider of engineering and consulting services. The firm provides a comprehensive range of services, including civil and structural engineering, environmental, landscape architecture and planning, and surveying services for development and critical infrastructure projects. The firm’s network of engineers, surveyors, technicians, landscape architects, environmental specialists, biologists, planners, and construction management professionals produce projects that impact both the quality of life and economic opportunities in the communities they serve.
