Trey Dawson, P.E. Promoted to Executive Vice President

Pape-Dawson Proudly Announces the Promotion of Trey Dawson, P.E.

San Antonio, TX – (July 25, 2022) Pape-Dawson Engineers, Inc. has promoted Trey Dawson, P.E. to Executive Vice President. In his new position, Mr. Dawson will continue to oversee teams providing feasibility, project management, design, and construction administration services for single-family, multi-family, and commercial land development projects. He will also take a more active role in the comprehensive planning, staffing, management, and strategic growth of Pape-Dawson.

Mr. Dawson began his career in civil engineering through Pape-Dawson's student internship program while working toward his engineering degrees. After completing the internship program and graduating in 2009, he joined full-time and has since made a significant impact to the San Antonio landscape. His portfolio of work includes major commercial and industrial projects, as well as multiple single-family residential subdivisions for home builders and developers throughout the San Antonio region.

"It has been exciting to witness Trey become the exceptional leader that he is today," says Chief Executive Officer, Sam Dawson, P.E. "Not only is he a stellar team and company leader, but he is also a leader in the community. Our future is very bright."

Mr. Dawson earned bachelor's and master's degrees in Civil Engineering from Texas Tech University. He is actively involved in the community and holds leadership positions with multiple civic and professional organizations. He is currently on the Executive Committee of the Real Estate Council of San Antonio, serving as Vice President of Government Affairs. He is also serving on the Executive Committee of the City of San Antonio Greater: SATX, focusing on economic development and regional growth. He recently served as the 2021 Chairman of the Board for North San Antonio Chamber of Commerce and is the past president of Texas Biomedical Research Institute Founders Council. Mr. Dawson also gives back to his profession by serving on the Board of the Texas Society of Professional Engineers Bexar Chapter.
