**Pape-Dawson is Pleased to Announce the Promotion of
Chris Noe, P.E., PMP to Associate Vice President
Water Resources Grows Leadership**

San Antonio, TX – Pape-Dawson Engineers, Inc. is proud to announce the promotion of Chris Noe, P.E., PMP to Associate Vice President. Mr. Noe will continue to lead water and wastewater projects across Texas, especially focused in the Central Texas region.

Mr. Noe joined Pape-Dawson in 2015 and has more than 20 years of experience in project planning, monitoring, and management, as well as in process improvement, project constructability, and value engineering. Mr. Noe was instrumental in delivering the Vista Ridge Regional Water Supply, one of the largest public-private pipeline projects constructed in the United States, on time and on budget. While working on Vista Ridge, Mr. Noe led easement acquisition, construction management, and commissioning. Mr. Noe is currently working with the Guadalupe Blanco River Authority, the Alliance Water Regional Authority, and the San Antonio Water System on various water resources projects.

“Our team is excited to announce Chris’s promotion to Associate Vice President,” said Pape-Dawson’s Senior Vice President, Cara Tackett, P.E., LEED AP. “Chris has a strong, positive work ethic and has proven himself as a leader. His background in construction is invaluable to our projects and his energy and enthusiasm shows in his commitment to quality and in his collaboration with our clients.”

Mr. Noe, a former officer in the U.S. Air Force, is a member of the American Society of Civil Engineers and the American Water Works Association, and holds a Six Sigma Blackbelt Certification in process improvement. He earned a Bachelor of Science in Aeronautical and Astronautical Engineering from Purdue University in 1991 and a Master of Science in Industrial and Systems Engineering from Northern Illinois University in 2016. He is a certified Project Management Professional and a Professional Engineer in the State of Texas.
