## **Pape-Dawson’s Dallas Offices Combine and Move to The Tennyson**

*Pape-Dawson is Excited to Announce the Combination of its Dallas Offices*

**Dallas, TX** – (March 22, 2023) Pape-Dawson Engineers, Inc. is excited to announce that its two Dallas locations have combined and moved into a new space at The Tennyson. In conjunction with this move, Dowdey, Anderson & Associates is officially taking on the Pape-Dawson name and brand.

In October of 2021, Pape-Dawson acquired Dowdey, Anderson & Associates, a premiere civil engineering firm in Dallas. Since then, the company has worked to successfully integrate businesses, clients, and culture.

“We are thrilled to finally be under one roof,” says Brad Davis, P.E., Managing Principal of North Texas. “This move should help solidify our team while providing a great in-person work environment for all of our employees.”

Pape-Dawson’s presence in Dallas was established in 2014 and has since grown to more than 120 professionals. The office offers a wide range of civil engineering consulting services including land planning and development, transportation, water resources, surveying, and environmental. Current projects include numerous large residential communities, commercial developments, and Program Management services for the City of Sherman’s major infrastructure improvements.

The office’s address is 6105 Tennyson Parkway, Suite 210, Plano, TX 75024.
