**Ricardo Gomez, P.E., Promoted to Managing Vice President of Corpus Christi**

*Pape-Dawson Proudly Announces the Promotion of Ricardo Gomez*

**Corpus Christi, TX** (October 11, 2023) - Pape-Dawson Engineers, LLC is proud to announce the promotion of Ricardo Gomez, P.E., to Managing Vice President, Corpus Christi.

Mr. Gomez joined Pape-Dawson in 2012 at our headquarters in San Antonio and assisted with opening the new Corpus Christi office in 2022 as Associate Vice President. He has been instrumental in growing Pape-Dawson's business in the Corpus Christi area and developing client confidence in the Coastal Bend region.

Mr. Gomez began his career in residential and commercial land development with an emphasis on K-12, higher education, residential, and commercial/multi-family projects. Since moving to the Water Resources division in 2018, he managed multiple special districts including Municipal Utility Districts (MUDs) and Public Improvement Districts (PIDs) in Central Texas and led design of water and wastewater pipeline and facilities projects.

“Mr. Gomez’s broad expertise in both public and private sectors of engineering combined with his strong work ethic and loyalty to his team members and clients make him a strong leader,” says Cara Tackett, P.E., LEED AP, Managing Principal, Water Resources. “We are excited for Ricardo to continue to build our Corpus Christi team as we expand and grow in the services we offer in the region.”

Mr. Gomez is involved in the local Corpus Christi community through numerous professional and civic organizations including the United Corpus Christi Chamber of Commerce, the Corpus Christi Regional Economic Development Corporation, the Coastal Bend Home Builders Association, and many others.
