**Toby Flinn, P.E., PMP Promoted to Vice President**  
*Pape-Dawson Proudly Announces the Promotion of Toby Flinn*

**San Antonio, TX** (August 31, 2023) - Pape-Dawson Engineers, LLC is thrilled to announce the promotion of Toby Flinn, P.E., PMP, to Vice President.

Mr. Flinn’s impressive 27 years of experience includes work as a construction engineer, as a civilian, and as a military officer, where he worked with multinational and inter-agencies on vertical construction, infrastructure development, construction feasibility, civil design, and logistics. His vast skill set includes organizational leadership, contract management, pre-construction efforts, scheduling, permitting and inspections, and onsite engineering.

Currently, Mr. Flinn leads the construction management and inspection efforts for the Alliance Regional Water Authority Program. This high-profile project prepares the Central Texas I-35 corridor for future water demand. It consists of nine concurrent construction packages valued at \$420M, two water facilities, and more than 85 miles of water mains spanning three counties.

“Mr. Flinn’s expertise in program and construction management is key to the successful delivery of complex infrastructure projects,” says Cara Tackett, P.E., LEED AP, Managing Principal, Water Resources. “We look forward to Mr. Flinn continuing his outstanding work in his new role as Vice President and leading the growth of services and new offerings at Pape-Dawson.”
