Nathan Billiot Promoted to Senior Vice President

Pape-Dawson Proudly Announces the Promotion of Nathan Billiot

Houston, Texas (August 5, 2025) - Pape-Dawson is proud to announce the promotion of Nathan Billiot, P.E., to Senior Vice President. With over 27 years of experience in civil engineering, Nathan has led design and oversight for commercial, industrial, residential, and mixed-use development projects throughout the Houston region and beyond.

Nathan's portfolio includes retail centers, office complexes, industrial parks, hospitality venues, institutional campuses, and multi-family communities. He has played a vital role in the success of several landmark developments, including the 127-acre H-E-B Houston Retail Support Center, 1801 Post Oak Boulevard mixed-use development, South Belt Central Business Park, and hundreds of restaurant sites for national brands.

In his new role as Senior Vice President, Nathan will continue guiding our Houston commercial team, helping oversee the success of complex development projects to serve the needs of our clients and the Greater Houston community.

"Nathan is known for his exceptional breadth of expertise in commercial development, from large-scale distribution hubs to boutique mixed-use sites," said DeKécha Sheperd, P.E., Senior Vice President. "His ability to navigate complex regulatory landscapes while keeping client goals at the forefront makes him an invaluable asset to our team and our clients."
